

BIOGRAPHY

Darren Jackson, Vice President Finance and Chief Financial Officer (CFO)
Shoppdex.com Corporation
(dba - Teilhard Technologies. "Teilhard")

Mr. Jackson is responsible for all aspects of financial and management accounting for the Teilhard companies.

He has over 15 years of accounting, taxation and finance experience including building a successful computer training company in Calgary and Toronto, where he managed growth from one franchise and nine employees in 1996 to two franchises and over 100 employees in 1999.

Mr. Jackson has extensive practical knowledge in the design of accounting systems, controls and procedures to achieve greater efficiency and productivity. In addition, he played a key role in establishing Teilhard's procedures and policies related to the marketing of training products via the Internet.

Mr. Jackson graduated from Brock University in 1992 with a Bachelor of Business Administration degree with honors and a major in accounting.
