

BIOGRAPHY

David E. Brown, Chief Information Officer
Shoppdex.com Corporation
(dba – Teilhard Technologies “ Teilhard”)

David oversees the research and development and product technical support for Teilhard Technologies. He also assists with market research and business development projects in the company. He holds a Bachelor's degree in Applied Mathematics and Computer Science as well as a Master of Science degree in Economics from Auburn University.

David brings over 16 years of related industry experience in the design, implementation, operation, and management of LAN/WAN architectures. Prior to founding Teilhard Technologies along with his partners, he acquired both the Microsoft Certified Systems Engineer (MCSE) and the Microsoft Certified Trainer (MCT) designations as a technical instructor at New Horizons CLC in Calgary, Alberta Canada. He has provided systems integration consulting services to a number of industry sectors including oil & gas, automotive, and telecommunications in Alberta.
